Affidavit Portal

Candidate Affidavit portal is a part of ENCORE that allows citizens to view the complete list of Candidate Nominations who have applied for the elections. To help the citizen to know the candidates, a complete candidate profile with photo and affidavit is made public as and when the Returning Officer enters the data. The affidavit presented to the Returning Officer against his nomination, the same affidavit is uploaded in the system and can be viewed and downloaded by any citizen using the portal.

Earlier, the affidavit was uploaded separately and there was no link between the affidavit and the candidate profile. With the integration of the Affidavit portal in the ENCORE, the process has been simplified and

the errors are reduced. This portal was launched on 10 March 2019. The citizen can view the affidavit of each candidate of every election from the day it was launched.

For ease of citizens, the information on this portal is categories as follows:

- Nominations Applied
- Accepted
- Rejected
